ORDER

On July 2, 1998, Western Rockcastle Water Association, Inc. and Northern Rockcastle County Water District ("Applicants") filed a letter, which the Commission will treat as a motion, requesting 14 additional days to respond to the Commission's June 18, 1998 information request. The motion also requests an informal conference, but subsequent discussions with the Applicants indicate that no conference is needed at this time. In the event that a conference is needed in the future, the Applicants should file a request setting forth the issues to be discussed.

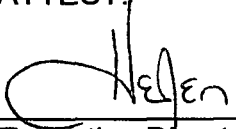

IT IS HEREBY ORDERED that the June 18, 1998 Order is amended to the extent that the Applicants' responses to the information request shall be filed no later than July 16, 1998.

Done at Frankfort, Kentucky, this 13th day of July, 1998.
